

HETTON VILLAGE ATLAS

Open Day & Ingathering Event

Saturday 26th January 12-3pm
Hetton & Eppleton Community Hall

A **community project** supported by **Limestone Landscapes Project** is being launched to explore the history, archaeology, ecology and geodiversity of **Hetton-le-Hole** and its neighbouring villages

INTRODUCING THE PROJECT

A team of specialist researchers will introduce the project, outlining what it aims to do and showing examples of previous Village Atlases

EXHIBITION

A **poster & slide display** covering many aspects of Hetton's heritage, from SSSIs and famous fossils, to historic maps & photographs and archaeological records

INGATHERING

Bring along any **old photographs, maps, plans** and **documents** relating to Hetton-le-Hole and its neighbourhood to be scanned and preserved for posterity

LEARN ABOUT FUTURE ACTIVITIES & EVENTS

- ❖ Guided walks - looking at historic and natural landscape features, old buildings, quarry rockfaces
- ❖ Training - using archives and archaeological records, reporting & mapping wildlife sightings, sampling watercourses, finding & identifying fossils
- ❖ Dig an archaeological test-pit.
- ❖ Oral History interviews

FIND OUT HOW TO BECOME INVOLVED

Take part in the programme of events and help to uncover the rich heritage of Hetton
