

# EASINGTON VILLAGE ATLAS

## Open Day & Ingathering Events

Saturday 9th February 1-4pm at Seaton Holme,  
Easington Village

Wednesday 13th February 2-5pm at the Easington Social  
Welfare Centre, Seaside Lane South (Back), Easington Colliery

A **community project** supported by **Limestone Landscapes Project** is being launched to explore the history, archaeology, ecology and geodiversity of **Easington Village & Easington Colliery** and their surrounding areas

### INTRODUCING THE PROJECT

A team of specialist researchers will introduce the project, outlining what it aims to do and showing examples of previous Village Atlases.

### EXHIBITION

A **poster & slide display** covering many aspects of Easington's heritage, from SSSIs and unique geology, to historic maps & photographs and archaeological records.

### INGATHERING

Bring along any **old photographs, maps, plans** and **documents** relating to Easington and its neighbourhood to be scanned and preserved for posterity.

### LEARN ABOUT FUTURE ACTIVITIES & EVENTS

- ❖ Guided walks - looking at historic and natural landscape features, old buildings, coastal cliffs and quarry rockfaces
- ❖ Training - using archives and archaeological records, reporting & mapping wildlife sightings, sampling watercourses, finding & identifying fossils
- ❖ Dig an archaeological test-pit
- ❖ Oral History interviews

### FIND OUT HOW TO BECOME INVOLVED

Take part in the many events and help to uncover the rich heritage of Easington.

Anyone wishing to learn more about the Village Atlas should contact:
